General Information

TIME—The Sale will be held Monday, March 1, 1976, beginning at 1:00 P.M. sharp.

LOCATION—Yankton, South Dakota, at the Stockmen's Livestock Auction Pavilion east of Yankton on Highway 50.

TERMS—The terms of this sale are cash.

GUARANTEE—All cattle sold in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders Association as shown at the back of this book.

Announcements from the auction box will take precedence over printed matter in the catalog.

Where footnotes appear in this catalog they were written from information supplied by the owners.

All animals will be weighed day of sale. If returned for any reason approximate sale weight will be expected.

LIABILITY—We shall not be liable for any accidents that may occur but will make every effort to provide for the safety and comfort of those attending. Accidents at cattle sales are rare, but all attending must do so at their own risk. The guarantee and terms shall constitute a contract between the buyer and seller of each lot. The sale manager is retained for specific tasks promotional and clerical, and has nothing to do with the handling of the cattle or the condition of the premises. Neither the sale manager, clerk, nor auctioneer can assume any liability.

Up until a few days ahead of the sale we invite you to inspect these cattle at the Ranch.

BIDS—Those wishing to buy, who cannot be present, can send their bids to Dick Payne, Auctioneer, Yankton, S. Dak.; Gary Englehorn, Olivet, S. Dak.; Shorthorn Breeders Association, 8288 Haskell St., Omaha Neb.

The entire herd has been production tested for eleven years under the South Dakota Production Records Inc. Last year we shifted our records to the American Shorthorn Breeders Ass'n. Where no index is given calf was too young to calculate.

For your information Weaning Index and Rate of Gain is given in footnotes of each bull. Keep in mind these bulls are grown on limited feed.

Standard Guarantee

A—Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B—All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C—With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to seller.

D—When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E—In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy as such a certificate is required by the seller.

F—All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

G—Certificates of registry and transfer will be furnished with each animal sold. A signed application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date. This applies to registered animals only.

H—All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.
